Disclosure of Funding Form-Grant RFP

Per the Federal Funding Accountability and Transparency Act of 2006 “Transparency Act” or “FFATA” (Public Law 109-282), all entities and organizations receiving federal funds are required to report full disclosure of funding (United States Code, title 31, chapter 61, section 6101).

The purpose of FFATA is to provide every American with the ability to hold the government accountable for each spending decision. The end result is to reduce wasteful spending in the government. The FFATA legislation requires information on federal awards to be made available to the public through a single, searchable website. Federal awards include grants, sub-grants, loans, awards and delivery orders.

To comply with the federal statute, the Minnesota Board on Aging is required to obtain and report by the grantee’s Data Universal Numbering System (DUNS) number; determine if grantee meets specific requirement that would require additional reporting items; and collect additional information on executive compensation if required. Respond by answering the following questions:

Grantee DUNS Number (Required): _____

Grantee Name: _____

In the preceding fiscal year: _____

- 1) Yes No (Select one) Did you receive 80 percent or more of your annual gross revenues in U.S. federal contracts, subcontracts, loans, grants, subgrants, and/or cooperative agreements?
- 2) Yes No (Select one) Are those revenues greater than \$25 million or more annually?

If you answer “yes” to all of the top questions, provide the following information:
